

SW-ID: 658492

**Relevant Device Types**

- Mass Flow Controllers MFC 8710, 8711, 8712, 8713, 8626 (for gases only)
- Mass Flow Meters MFM 8700, 8701, 8702, 8703, 8006 (for gases only)
- Liquid Flow Controllers LFC 8718, 8719 (for liquids only)
- Liquid Flow Meters LFM 8708, 8709 (for liquids only)
- Electronic Pressure Controller EPC 8731 (for gases only)

| Release Version | Release Date | Description   | Added, Removed, Changed or Fixed |
|-----------------|--------------|---|----------------------------------|
| 2.4             | Mar 19, 2015 |   |                                  |
|                 |              | Parameter 79 "error processing at sensor-fault" isn't supported any more. | Changed                          |
|                 |              |   |                                  |
